Subject: 30-day notification for CFAC field work
Attachments: removed.txt

Mr. Cirian,

In accordance with the AOC between the USEPA and CFAC, Roux Associates is providing notification that field activities for the CFAC Phase I Site Characterization are planning to begin on April 4, 2016. The first field activity will be the Site reconnaissance, as described in the RI/FS Work Plan and Sampling and Analysis Plan.

Please contact me at the number below if you have any questions.
